

## SILVERSMITHS', PLANISHING, EMBOSING and RAISING HAMMERS

Picard and Grobet hammers have precisely ground and hardened, hand-forged, steel heads with highly polished tips mounted on a hickory handle to provide the right weight and balance. Made in Germany.

### PICARD PLANISHING HAMMERS

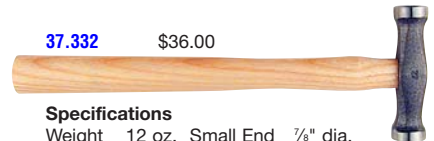

**37.333** \$36.25

#### Specifications

Weight 7 oz. Small End  $\frac{1}{16}$ " dia.  
Length 3" Large End 1" dia.

**37.332** \$36.00

#### Specifications

Weight 12 oz. Small End  $\frac{7}{8}$ " dia.  
Length  $3\frac{3}{4}$ " Large End  $\frac{1}{16}$ " dia.

**37.331** \$36.00

#### Specifications

Weight 14 oz. Small End 1" dia.  
Length  $4\frac{1}{8}$ " Large End  $1\frac{1}{16}$ " dia.

### PICARD RAISING / PLANISHING HAMMER

**37.329** \$41.50

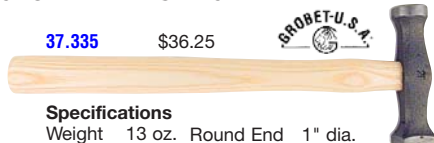

#### Specifications

Weight 13 oz. Small End  $1\frac{1}{8}$ " dia.  
Length  $4\frac{3}{4}$ " Large End  $1\frac{1}{4}$ " x  $\frac{3}{16}$ "

### GROBET PLANISHING HAMMER

**37.335** \$36.25

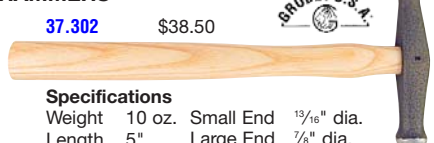

#### Specifications

Weight 13 oz. Round End 1" dia.  
Length  $4\frac{1}{8}$ " Square End 1" x 1"

### GROBET EMBOSING/SINKING HAMMERS

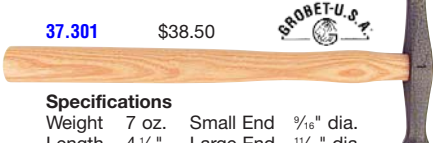

**37.302** \$38.50

#### Specifications

Weight 10 oz. Small End  $\frac{1}{16}$ " dia.  
Length 5" Large End  $\frac{7}{8}$ " dia.

**37.301** \$38.50

#### Specifications

Weight 7 oz. Small End  $\frac{9}{16}$ " dia.  
Length  $4\frac{1}{2}$ " Large End  $\frac{1}{16}$ " dia.

### PICARD RAISING HAMMERS

**37.420** \$36.25

#### Specifications

Weight 8 oz. Small End  $1\frac{1}{8}$ " x  $\frac{1}{4}$ "  
Length  $4\frac{3}{8}$ " Large End  $1\frac{1}{4}$ " x  $\frac{3}{8}$ "

**37.421** \$36.00

#### Specifications

Weight 8 oz. Small End  $1\frac{3}{16}$ " x  $\frac{3}{16}$ "  
Length  $4\frac{1}{2}$ " Large End  $1\frac{1}{4}$ " x  $\frac{1}{4}$ "

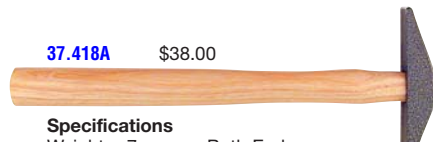

**37.418** \$41.00

#### Specifications

Weight 18 oz. Both Ends  
Length  $4\frac{3}{4}$ "  $1\frac{1}{16}$ " x  $\frac{1}{4}$ "

**37.418A** \$38.00

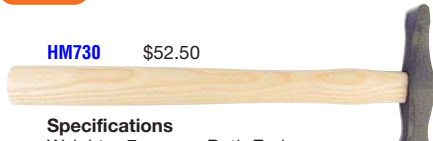

#### Specifications

Weight 7 oz. Both Ends  
Length  $4\frac{1}{4}$ "  $\frac{1}{16}$ " x  $\frac{3}{16}$ "

### PICARD RAISING / FORGING HAMMER

**HM730** \$52.50

#### Specifications

Weight 7 oz. Both Ends  
Length  $4\frac{7}{16}$ "  $1\frac{1}{16}$ " x  $\frac{1}{4}$ "

### PICARD SILVERSMITHS' HAMMER

**37.303** \$43.50

#### Specifications

Weight 14 oz. Small End  $1\frac{1}{4}$ " x  $\frac{5}{8}$ "  
Length  $4\frac{3}{8}$ " Large End  $1\frac{1}{4}$ " x  $\frac{7}{8}$ "

### PICARD EMBOSING HAMMER

**37.350** \$36.25

#### Specifications

Weight 7 oz. Small End  $\frac{1}{16}$ " dia.  
Length 3" Large End 1" dia.

## WATCHMAKER'S HAMMERS

Swiss-style, polished forged steel heads with wooden handle. Use for light work. Made in France.

Item No.	Head		Weight	Price
	Dia.	Length		
HM712	5/16"	2"	.75 oz.	\$18.50
HM713	3/8"	2 3/8"	1.0 oz.	\$20.50
HM714	7/16"	2 3/4"	1.5 oz.	\$21.50
HM715	9/16"	3 1/2"	2.0 oz.	\$23.00

## VAUGHAN® BALL PEEN HAMMERS

Drop-forged polished hardened steel with hardwood handle. One flat end, one round end. Made in USA.

Item No.	Head		Weight	Price
	Dia.	Length		
37.122	3/8"	2"	2 oz.	\$14.25
37.124	3/4"	2 3/4"	4 oz.	\$15.50
37.128	7/8"	3"	8 oz.	\$16.00

## ECONOMY BALL PEEN HAMMERS

General use steel hammers with a flat face and a round end. Hardwood handles. Made in India.

Item No.	Head		Weight	Price
	Dia.	Length		
37.110	3/8"	1 1/8"	1 oz.	\$5.15
37.112	1/2"	2 3/8"	2 oz.	\$5.15
37.114	3/4"	2 5/8"	4 oz.	\$5.15
37.118	7/8"	3 1/8"	8 oz.	\$5.50

## BRASS HAMMER FLAT/BALL PEEN

A superb quality small solid brass hammer head threaded onto an hexagonal-shaped anodized aluminum handle. The shape of the handle is designed to prevent slipping. Made in USA.

Item No.	Head		Weight	Price
	Dia.	Length		
HAM130.00	1/2"	1 1/8"	2 oz.	\$11.95

## ECONOMY PLANISHING HAMMER

High quality forged steel hammer with polished flat faces and comfortable hardwood handle. Made in India.

Item No.	Face Dia.	Length	Weight	Price
TX1260	1"	3"	7 oz.	\$9.50

## OSBOURNE RIVETING HAMMERS

Drop-forged polished steel with hardwood handle. Head has one flat side and one chisel side for spreading rivets. Made in USA.

Item No.	Style	Head		Weight	Price
		Dia.	Length		
37.216	0	1/2"	3 3/8"	4 oz.	\$26.25
37.218	1	1/2"	4"	5 oz.	\$27.75
37.220	2	5/8"	4 1/4"	7 oz.	\$30.75

## EUROTOOL® GOLDSMITH/RIVETING HAMMER

One round-shaped end and one chisel-shaped end. Seasoned ash handle. Made in Germany.

Item No.	Head		Weight	Price
	Dia.	Length		
HAM200.00	3/8"	3"	2.5 oz.	\$19.80

## PICARD GOLDSMITH HAMMER

One round, flat end and one chisel-shaped end. Ideal for riveting and forming. Made in Germany.

Item No.	Head		Weight	Price
	Face	Length		
37.0409	1 1/16"	3 3/8"	4 oz.	\$22.50

## CHASING HAMMERS

Made of forged polished steel. Pistol grip hardwood handle. Flat face to flatten metal or strike tools and a round end to peen or stamp metal. Made in Germany.

Item No.	Face Dia.	Weight	Price
37.174	1"	3 oz.	\$33.90
37.176	1 1/8"	4 oz.	\$34.50
37.178	1 1/4"	6 oz.	\$34.90

## EUROTOOL® ECONOMY CHASING HAMMERS

Quality forged steel hammer with a flat face and a rounded end. Comfortable hardwood handle. Overall length 11". Made in Pakistan.

Item No.	Face Dia.	Weight	Price
HAM150.00	1"	3 oz.	\$10.95
HAM151.00	1 1/8"	4 oz.	\$11.50
HAM152.00	1 1/4"	6 oz.	\$12.60

## RAWHIDE MALLET

Use when bending, flattening, and forming. Will not mar or score metal.

Made from the finest rawhide which is then coated with varnish. Handle is select hickory. Made in USA.

Item No.	Style	Head Size		Weight	Price
		Dia.	Length		
37.700	0	1"	2"	2 oz.	\$14.25
37.701	1	1 1/4"	2 1/2"	4 oz.	\$16.00
37.702	2	1 1/2"	3"	6 oz.	\$18.50
37.703	3	1 3/4"	3 1/2"	9 oz.	\$21.50
37.704	4	2"	4 1/2"	11 oz.	\$23.85

## LEAD-LOADED RAWHIDE MALLET

The same construction as traditional rawhide mallets but with increased head weight for bending or flattening operations that require extra striking power. Made in USA.

Item No.	Size	Head Size		Weight	Price
		Dia.	Length		
HAM407	7	1 1/4"	2 1/2"	8 oz.	\$20.95
HAM408	8	1 1/2"	3"	12 oz.	\$22.00
HAM409	9	1 3/4"	3 3/8"	16 oz.	\$25.00
HAM410	10	2"	3 1/2"	20 oz.	\$30.50

## COPPER/RAWHIDE MALLET

Malleable iron head with a copper face and a rawhide face fitted with wooden handle. Use copper face for a safe, high-impact blow and the rawhide face for a firm, non-marring blow. Will not mar work surface.

Item No.	Head Size		Weight	Price
	Dia.	Length		
TH03208	1"	3 1/8"	14 oz.	\$18.10
TH03210	1 1/4"	3 3/8"	25 oz.	\$24.50

## RUBBER MALLET

Extremely soft. White rubber will not leave marks on work surface. Hardwood handle. Made in England.

Item No.	Head Size		Weight	Price
	Dia.	Length		
TH61952W	2"	3 1/2"	8 oz.	\$10.75

## BOXWOOD MALLET

Finest quality boxwood mallet mounted on seasoned wood handle. Use to straighten and flatten metal. Excellent for removing dents.

Item No.	Head Size		Weight	Price
	Dia.	Length		
37.0183	1 3/8"	2 3/8"	2 oz.	\$6.35

## MINI DUAL-HEAD MALLET

Non-marring mallet with one plastic face and one metal face for flattening wire and sheet. Weight is distributed in the head increasing the striking power. Excellent quality. Made in Pakistan.

Item No.	Head Size		Weight	Price
	Dia.	Length		
JH105	7/8"	1 3/4"	6 oz.	\$7.50

## BRASS MALLET

Solid brass head with high quality wooden handle. Will not mar soft or delicate metals. 8 1/4" length.

Item No.	Head Size		Weight	Price
	Dia.	Length		
37.530	2 1/2"	2"	2 oz.	\$7.50

## COOK BRASS MALLET

Brass head with high quality wooden handle. Will not mar soft or delicate metals. Made in USA.

Item No.	Head Size		Weight	Price
	Dia.	Length		
CK701	7/8"	2 1/4"	1/2 lb.	\$18.95
CK702	1"	2 5/8"	1 lb.	\$24.00

## COOK LEAD HEAD MALLET

A dead-blow mallet for bending or flattening heavier wire, sheet or strip without marring the surface of the metal. Steel handle with molded grip. Made in USA.

Item No.	Head Size		Weight	Price
	Dia.	Length		
CK114	1 1/4"	2 1/2"	2 lb.	\$19.50

## THOREX NYLON MALLET

Non-marking nylon-faced mallets with thick handles and reinforced metal center. Made in England.

Item No.	Head Dia.	Price
TH8108	1"	\$13.75
TH8110	1 1/4"	\$14.50
TH8112	1 1/2"	\$15.75

## PLASTIC MALLET

Lightweight, non-porous polyethylene mallet with hardwood handle. The plastic head prevents marring and is easy to clean.

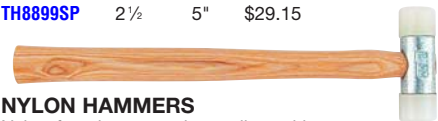

Item No.	Size	Head Dia.	Weight	Price
HAM411	1	1 1/4"	4 oz.	\$9.75
HAM412	2	1 1/2"	6 oz.	\$11.35
HAM413	3	1 3/4"	9 oz.	\$11.95

## NYLON SINKING HAMMERS

Non-marring nylon head (2" and 2 1/2") that tapers to a 3/4" round end. Made in England.

Item No.	Head Size		Price
	Dia.	Length	
TH8898SP	2"	5"	\$24.25
TH8899SP	2 1/2"	5"	\$29.15

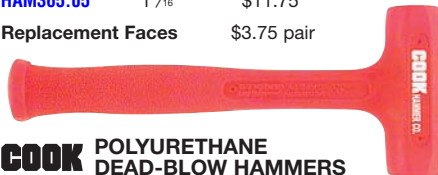

## NYLON HAMMERS

Nylon-faced non-marring mallets with reinforced metal center. Shock-cushioned for soft metal. Made in Germany.

Item No.	Head Dia.	Price
HAM360.05	7/8"	\$9.25
HAM365.05	1 1/16"	\$11.75

Replacement Faces \$3.75 pair

## COOK POLYURETHANE DEAD-BLOW HAMMERS

Maximum striking and non-bounce action without marring metal. The inside of the hammer consists of a steel handle welded to a canister that is filled with steel shot. The outer hammer body is one piece of cast cut-resistant polyurethane. Made in USA.

Item No.	Head Size		Weight	Price
	Dia.	Length		
CK905.50	7/8"	2 7/8"	8 oz.	\$19.50
CK905.51	1 1/4"	4 1/4"	18 oz.	\$23.50

## 4-IN-1 SOFT-FACED HAMMER SET

Use for shaping, forming and flattening metal. Four (4) screw-in interchangeable tough rubber faces — flat, dome, cone and wedge shaped. Will not mar metal. Hardwood handle. Made in England.

Item No.	Rubber Face Size		Weight	Price
	Dia.	Length		
TH613R	1 5/8"	1"-1 1/2"	13 oz.	\$26.50

## K&D MALLETs with REMOVABLE FACES

Precision small mallets with one brass and one nylon face. Faces are easily changed or replaced when worn with the small wrench that is supplied with each mallet. Well-made hardwood handles. Made in USA. Overall length 9".

Item No.	Head Size		Weight	Price
	Dia.	Length		
37.536	9/16"	2"	2 1/2 oz.	\$12.10
37.584	5/8"	2 3/8"	5 oz.	\$18.40

Replacement Faces \$1.50 each

Type: Brass or Nylon  
Head: 2.5 oz. or 5 oz.

## MULTI-PURPOSE SOFT-FACED HAMMER

Use for metalworking, modelmaking. Maximum impact without damaging metal. Replaceable self-locking, screw-in faces — one face is made of hard nylon, the other is made of soft plastic. Quality ash handle. Made in England.

Item No.	Head Size		Weight	Price
	Dia.	Length		
TH708R	1"	3 3/4"	8 oz.	\$18.25

## DEAD-BLOW HAMMERS

Head is partially filled with steel shot. Natural shifting of the steel shot when hammering increases the impact and acts to reduce the rebound. Plastic faces prevent marring. Made in England.

Item No.	Head Dia.	Weight	Price
TH1010	1 1/4"	1 lb.	\$29.50
TH1212	1 1/2"	1 1/2 lb.	\$33.25
TH1616	2"	3 lb.	\$40.00
