

## GENERAL STEEL RULERS

Made of stainless steel. 6" (150mm) ruler graduated in millimeters across top and inches along the bottom. 12" (300mm) ruler, front graduated in 16ths, 32nds, 64ths, 1.0mm and 0.5mm. Back graduated in 8ths, 16ths, 32nds, and 64ths.

- GEN305** 6" (150mm) Ruler \$2.35  
**GEN1201** 12" (300mm) Ruler \$7.50

## SLIDING BRASS GAUGES

Made of solid brass. Measures in inches and millimeters. Notched jaws for inside or outside measurements and a 1/10 mm vernier for accuracy.

- GAU168.60** 60mm German \$10.75  
**GAU168.80** 80mm German \$10.75  
**GAU169.60** 60mm Economy \$5.50  
**GAU169.80** 80mm Economy \$5.50

## MINI DIGITAL GAUGE

Small stainless steel calipers with LCD display. Allows measurements in inches and millimeters. Easy to use on/off and zero set buttons.

- TX1155** 6 1/4" length \$75.00

## BOLEY-STYLE CALIPER

Pocket-size gauge gives quick measurement of inside and outside diameters in millimeters. Range of 0 to 10mm.

- GAU161.00** 5 3/4" length \$9.85

## DIGITAL CALIPERS

Digital stainless steel caliper comes in a protective nylon carrying case with a spare battery. Easy touch button conversion from millimeters to inches. Accurate to within 0.01mm and 0.005". Features an LCD display, auto-off system and zero set button.

- TX1160** 4" opening \$44.00  
**TX1170** 6" opening \$48.50

## FALCON-FLEX 12" STEEL RULER

Stainless steel 12" (300mm) ruler with non-skid back. Graduated in 32nds, 16ths, 8ths, millimeters and centimeters.

- TX1200** \$27.75

## GENERAL B & S WIRE GAUGE

Convenient for measuring non-ferrous sheet and wire, such as brass, copper, silver, etc.

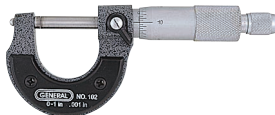

- GEN020** \$23.60

## DEGREE GAUGE

Stainless steel degree gauge for accurate measurements of stones, metal shapes and wax. Precision ground points, accurate to 0.10mm with a 10mm capacity.

- GAU160.00** \$10.50

## GENERAL MICROMETER No. 102

Standard micrometer measures 0" to 1" in 0.001" increments.

- GEN102** 5 3/4" length \$21.20

## PRECISION SLIDING CALIPER

Excellent quality 6" (150mm) vernier caliper with finely honed jaws for exact inside, outside and depth measurements. Inch and metric calibration for accuracy to 0.05 mm and 0.001".

- GAU175.00** 9 1/4" length \$27.70

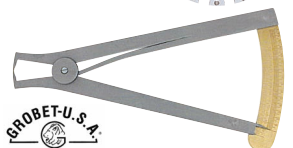

## Mitutoyo

### DIGIMATIC CALIPERS

Digital stainless steel caliper comes with durable plastic box and instructions. Smooth sliding action and easy touch button conversion from millimeters to inches. Accurate to within 0.005" or 0.01mm. Made in Japan.

- TX1180** 4" opening \$115.70  
**TX1190** 6" opening \$129.50

## LARGE DEGREE GAUGE

Easy-to-read stainless steel gauge with spring action and brass measuring slide. Accurate to 0.10mm with a 15mm capacity. Made in France

- 35.014** \$35.10

## DIGITAL MICROMETER

Digital micrometer measures 0" to 1" in 0.001" increments. Easy-to-read 4-digit counter display.

- TX1210** 4 5/8" length \$38.50

## STAINLESS STEEL DIAL CALIPER (Inches)

Stainless steel caliper measures inside, outside and depth. Easy-to-read "adjust-to-zero" dial and thumb roller with lock. Measures from 0" to 6.5" with accuracy to 0.001".

- 35.181** 9 1/2" length \$48.25

## STAINLESS STEEL DIAL CALIPER (mm)

Value engineered caliper measures inside, outside and depth. Easy-to-read "adjust-to-zero" dial and thumb roller with lock. Measures 0 to 150mm with accuracy to 0.02mm. 6" (150mm) maximum opening.

- GAU177.00** 9 3/8" length \$36.25
